

Element Extinguisher Mount Install Toyota GR86 and Subaru BRZ 2022+

Included Parts:

1. Element Bracket
2. Element Fire Extinguisher (optional)

Install Procedure:

1. Remove the front outboard drive seat mount bolt.
2. Slide bracket under the seat mount and align the holes. Reinstall the mount bolt. Ensure the bracket is parallel with the side sills and torque to 39ft/lbs (53Nm).

3. Clip Element extinguisher into mount.
